Dear Sir/Madam

RE: DESIGN ORGANISATION EXTENSION

This letter serves to inform **Challenge Air cc** that an extension has been granted on the Design Organisation Approval (**Approval No. D702**) to allow the renewal process to be completed. Please be advised that the extension is for a period of 60 days effective **1st November 2018 to 31st December 2018**.

The extension to the approval is intended to accommodate time for the renewal audit activity and administrative activities (internal processes) to be scheduled and concluded.

The design organisation may continue with normal operations in compliance with procedures as specified in the current manual of procedures and under SACAR Part 147.

Yours sincerely,

Kiran Debipersad
Manager: Airworthiness Engineering Department (Acting)
South African Civil Aviation Authority (SACAA)
